Were not attained by sudden flight,
But they, while their companions slept,
Were toiling upward in the night.

FOREWORD

In preparing this book the Staff has done its best to develop for you a record of the important and interesting events of the school year. We hope it will preserve for your later years many happy memories. Although our accomplishments are far from perfect, we are glad to have had the privilege of expending our efforts for the benefit of our readers and of our school.

TO THE MEMORY

OF

MRS. NONA CONNOLLY BOWLES

THE STAFF DEDICATES THIS HIGHLANDER

THAT IT MAY SHOW HONOR TO ONE WHO WAS FOR MANY YEARS A GENEROUS BUT QUIET DONOR OF TIME, EFFORT AND MEANS TO THE PROGRESS OF PIKEVILLE COLLEGE, AND A STANCH PERSONAL FRIEND TO MANY CONNECTED WITH THIS INSTITUTION.

Mrs. Bowles was a member of the first graduating class of Pikeville Collegiate Institute in 1894. Her father, Mr. W. M. Connolly, was a member of the first Board of Trustees; and her husband, Mr. C. C. Bowles, was a member of the Board for many years. The four children of Mrs. Bowles are graduates of Pikeville College Academy: Charles W., 1914; Lorraine (Mrs. N. A. Chrisman), 1916; Harrison C., 1920; and Josephine (Mrs. Holmes Kirk), 1921. At present four of Mrs. Bowles' grandchildren are attending this College, one in the Academy and three in the Training School. Mr. Frank A. Connolly, a nephew of Mrs. Bowles, and Mr. N. A. Chrisman, a son-in-law, are members of the Board of Trustees; while her son, Harrison C., is president of the Alumni Association and Alumni Representative on the Athletic Council. Mr. Winston M. Connolly, a nephew, is also a member of the Athletic Council.

Mrs. Bowles was largely responsible for the organization of the Alumni Association in 1910, and since that time has been very active in all the interests of the College. The furniture in the Library is a gift of Mrs. Bowles in memory of her son, Charles W. Bowles. Mrs. Bowles' final bequest of one thousand dollars shows that her love and loyalty to the College remained undimmed throughout the years. The College mourns the loss of this good friend, who died February 6, 1936, at Fort Pierce, Florida.

FOUNDERS' DAY-1935

The pictures above were taken on Founders' Day, October 17, 1935. No. 1 shows President McClelland placing a spade of earth on the tree planted in memory of Dr. Record. In No. 3, Mr. Harrison Bowles, President of the Alumni Association, represents the association, in No. 4, Mr. N. A. Chrisman represents the Board of Trustees; and in No. 6, Miss Spilman represents the faculty. Picture No. 5 shows the Band as it appeared at the planting of the

tree. Picture No. 2 shows a group of trustees and friends who were on the campus for the Founders' Day celebration.

Back row, left to right: Mr. T. H. Harman, Mr. Rowan R. Hardin, President McClelland, Dr. George A. Joplin.

Front row, left to right: Mr. N. A. Chrisman, Rev. A. P. Higley. Mr. J. W. Baker, Mr. A. E. Auxier.

HISTORY OF FOUNDERS' DAY

On Tuesday, October 27, 1925, the first celebration of Founders' Day was held at Pikeville College in honor of those wise and noble men and women who were the founders of the institution. Since that time Founders' Day has been observed each year. The regular fall meeting of the Board of Trustees is held on Founders' Day.

that time Founders' Day has been observed each year. The tegular fall meeting of the Board of Trustees is held on Founders' Day.

Especially outstanding have been the Founders' Days of 1926, 1932, and 1935. On October 28, 1926, Wickham Chapel was dedicated at a beautiful and impressive service. Mrs. Delos O. Wickham was present. Announcement was made that the Board of Trustees had decided to name the chapel Wickham Chapel because it was given by Mrs. Wickham in memory of her husband. Announcement was also made that the faculty had drawn up resolutions thanking Mrs. Wickham for the gift of the chapel and the pipe organ. Resolutions of the Board of Trustees paying tribute to Dr. W. C. Condit were also read.

In 1932 the College observed not only Founders' Day, but Founders' Week with special programs on October 11, 12, and 13. These three days were set aside as a time for paying tribute to Dr. James F. Record, who had given up his work as President of the College in the spring of 1932. On Tuesday evening the activities centered at the Training School, the entertainment being "chapel exercises as of yore." Wednesday evening at the James Hatcher Hotel there was a public reception honoring Dr. and Mrs. Record.

Dr. and Mrs. Record, trustees and their wives were in the receiving line. Thursday evening there was a buffer supper at the College Cafeteria, to which graduates, former students, present students, and friends of the College were invited. Following the supper was a pipe organ recital. At eight o'clock the outstanding meeting of the week was held, Dr. Higley presiding. Mr. A. E. Auxier, Hon. J. E. Childers, and Mr. John M. Yost spoke of Dr. Record's life and work among the people of Kentucky. The speech to which all had looked forward was then made by Dr. Record himself. In his characteristic spirit of humility Dr. Record touched the hearts of all as he described the growth of the school and of its curriculum, and recalled experiences that tugged at the heart strings of many who were present. were present.

Again, in 1935, Founders' Day was observed in honor of Dr. Record, this time in memory of him, for he had died at Danville, Kentucky, May 26, 1935. At two o'clock in the afternoon a tree given by Miss Tunis of Danville was planted on the Derriana lawn. At eight o'clock a beautiful memorial service was held in Wickham Chapel, at which Mrs. W. P. Call, Mr. Adam Childers, and Mr. William M. Justice spoke on "Dr. Record as I Knew Him." Nothing could have been more touching or more sincetely impressive than rhe tribute paid to the memory of this great and well loved man by those who spoke and those who listened.

LES PORTES FLAMBEAUX

The purpose of Les Portes Flambeaux (The Lamp Lighters) is to become better acquainted with the French people, their leaders, their customs, and their philosophy of life.

The activities of the club include an intensive study of the lives and influences of great Frenchmen, along with the reading and discussions of current events and articles in French newspapers. These discussions help to clarify stories of international problems as "l'affaire Stavisky," the formation of new cabinets, the election of new rulers, France's attitude toward Hitler, Mussolini et Fascisme, Les Etates-Unis, payment of the war debt, the death of King George and the accession of King Edward VIII.

An interesting project of the advanced students was the extensive study made of the more celebrated French legends and of their treatment by famous authors and composers. Some students were present (by radio) each Saturday afternoon at the Metropolitan Opera.

The enjoyment and appreciation of the motion pictures that were adapted from great French novels and from the lives of famous Frenchmen, were heightened by the club's study and discussions.

Learning to sing the noels and the club's own translations into French of the English carols was "plus facile que La Marseillaise," but the club did sing them in class and in chapel programs.

The most enjoyable and instructive activity of the club is the international correspondence carried on between students in France who are learning English and students in Pikeville College who are learning French. This educational letter exchange is authorized by the United States Government and by the French Ministry of Education as a potent factor for world peace. It has introduced Pikeville and our college to many students in France and in her provinces, while the letters we receive with their wealth of inclosures,—pictures, music, clippings, programs, stamps, and such, really help us to gain an inner view of French thought that cannot be obtained from books.

Occasionally, such momentous questions as war and peace are left to the rulers of the nations and the club gives the student body a chapel program or themselves a theatre party or a picnic.

ALPHA RAY SCIENCE CLUB

During the latter part of 1934 a science club under the sponsorship of Mr. Hunt was organized at Pikeville College. Officers were elected and a committee was appointed to draw up a constitution. The constitution has been proved efficient by the small number of amendments made. The name Alpha Ray was adopted at the suggestion of our sponsor, and about twenty members joined the organization.

The Alpha Ray Science Club has progressed rapidly since its organization. Under an efficient financial system it has been able to meet all obligations and hold several social events without excessive dues. There are about twenty-eight members at the present time, including the better science students of the school. The programs have been interesting and instructive, as well as humorous in some cases. In addition to adding to their knowledge of science, the Alpha Ray members have created a feeling of good fellowship among seekers of scientific truth. The club has aided greatly in the Science Department of Pikeville College.

ALUMNI ASSOCIATION

The Pikeville College Alumni Association is one of the most active of the college groups. Founded in 1910 with a membership of thirty, the organization has grown under the leadership of able officers to its present membership of more than four hundred. One of the big events of each year is the Alumni Banquet held on Commencement Day, at which time graduates of the College and Academy gather from all parts of the country to pay homage to their Alma Mater.

The Association has many members in whom it may well take pride. President McClelland is an alumnus, as are three members of the present Board of Trustees: Treasurer John M. Yost, Mr. Frank Connolly, and Mr. J. D. Francis.

The Association has done a great deal for the College, one of its recent undertakings being that of campus beautification. Mr. F. J. Forsyth has been largely responsible for the success of this project. The Association has also had an important part in the athletic program of the college. Mr. Harrison C. Bowles and Mr. Winston Connolly are alumni members of the Athletic Council.

ATHLETICS

Alma Mater

Gather 'round, ye loyal schoolmates, lift each voice till echoes ring; Loudly praise our Alma Mater, 'tis of Pikeville C. we sing. And in deepest care or sorrow, should we pause to think of thee, Strong in our hearts once more, as in days of yore, When we sing of our loyalty.

Orange and Black, we hail thee, ever thy praises sing; Oh, see our colors that stand for honor, and to us victory bring. Orange and Black forever, we hail thee far and near, On the field or in the hall, we will answer the call, For we love thee, our College dear.

CHEER LEADERS

The students held up their end of cheering support this season under the able leadership of Amick, Barrett, and Bishop. When these leaders "counted three" enthusiasm mounted high, and college yells almost raised the roof. The Locomotive got faster and faster, and the student body actually became able to sing the Alma Mater.

RALPH D. WADDELL

Another basketball season has passed for Pikeville College. Once more Coach Waddell has moulded an outstanding group of athletes into a Bear team with one purpose—clean sportsmanship. May the teams ever maintain that purpose, Coach.

THE BEARS

Top Row

CLARENCE BREWER

"Cotton" will go down in history as one of the "many girl" men of Pikeville. Aside from this he can and does play any position.

LEFFIE BURTON

"Leffie" is a new addition to our team. He has demonstrated his ability and we expect good results.

HAROLD SWORD

"Rush" may be good-looking, but he also lends support to the team. Forward is his position, and can he "cut" the net.

Second Row

JOHN BILL TRIVETTE

"Weiner" is that boy you hear about; he has protected his birthright throughout the season by playing a fast, clean game. He is the only man on the team that wears a hat big enough for Pat to wash his feet in.

STEVE BENEDICT

"Steve" suffered a bad break the first of the year, but it is hard to keep down a fellow with an iron constitution and a desire to be on the floor.

CHARLES FAYETTE STRATTON

"Chicken" is one of our college wits, congenial but unrelenting. He plays as he eats—puts his whole soul and body into the process.

FOREST NEWSOME

Forest is our tall "man about the floor." He hails from Wheelwright, and gets around.

Third Row

DAVID PATTERSON

"Pat" is the Pilot this year, and aside from his roughness, is a valuable man to any team.

NEWT COLLIER

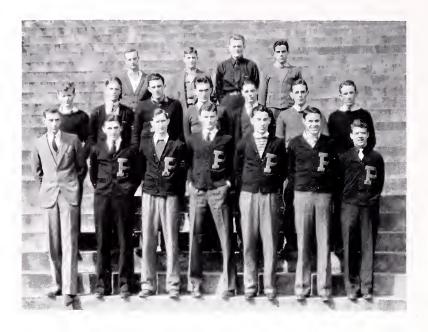

Newt is one of those fast, tricky, enduring forwards you read about. We expected a lot from him, and got it.

VERNON HONEYCUTT

This makes Vernon's second year playing for the old "Alma." He is a valuable man to any team and P. C. will hate to see him go.

ROBERT TAYLOR

"Bobbie" made a good manager for his "rejuvenating" Bears. We can safely recommend him as a "public address system" for any organization.
